

Cootamundra U3A Inc.

THE UNIVERSITY OF THE THIRD AGE

Membership Application/Renewal

Cootamundra U3A Inc. is part of the worldwide University of the Third Age movement, which arranges courses and presentations in which retired or semi-retired people (the Third Age) can use their leisure time to learn and teach together.

You need no formal qualifications to attend or present a course or topic of interest. There are no examinations or tests. All tutors give their time and expertise voluntarily. Some use their trade, business or professional expertise; others are happy to share a life-long hobby or interest with like-minded people.

So far, our activities have included Current Affairs, History, Psychology, Bridge, English, Art, Cryptic Crosswords, Tai Chi, Local History, Mah-jong, Travel, Science and Film Discussions etc.

The areas our activities cover are limited only by the availability of presenters.

Are you able to assist? Our Course Co-ordinators or committee members would be very happy to discuss this with you.
